The Catholic University team won from Fordham last night in the game played at New York between the two teams by a score of 26 to 13. The contest was much more desperately fought than would seem to be indicated by the score. Five minutes before the end of the last period the score stood at 11 to 11. A brilliant spurt by Catholic University ni that last five minutes gave it the margin by which it was the victor.

quint tonight at Georgetown. The Pennsylvanians come here with the reputation of being one of the fastest and best drilled teams of that section, a section in which the game of basket ball probably is stronger than in any other part of the United States.

The Blue and Gray quint will be weakened somewhat by the absence of Tormey. In fact, the team will not be near as strong as when the big center is in the line-up. Tormey has proved the star of pretty nearly every contest in which the Hilltoppers have appeared this season and his work has been the big factor in the successes attained. Tormey will be compelled to stay out of the game because of an infected wound received in the contest with Gallaudet.

Three of the local colleges are to play games on foreign floors tonight. The Catholic University five is to meet the Brooklyn College at Brooklyn, George Washington has a contest booked with the Seton Hall College at Seton Hall, N. J., and the Gallaudet team is to face the Pennsylvania Military College at Chester, Pa.

CAMP WILLARD, near Yaleta, Tex., February 15. Willard is developing his "one-two" into a mighty dangerous proposition. He uses it both as a form of attack and defense, leading with a straight left to the face, which is more of an unbalancing his "one-two" into a mighty with a hard right straight from the shoulder. He puts his whole weight and strength behind it, and even with soft gloves on it feels like a southern attack from a northbound mule.

I am often asked what I consider Willard's best blow, and I usually give preference to his fast straight left, but for a genuine, quick-finishing wallop I consider this left and right combination in a class all by itself.

Two games are scheduled in the scholastic basket ball leagues today. Business and Eastern are to play at the National Guard Armory in the School League. Another contest will A. C. is to meet the Georgetown Preps at Georgetown in the Preparatory School League. Anotrer contest will take place between school teams when Western goes out to St. Alban's for a conflict that is sure to be hard fought.

What is likely to be one of the greatest relay races ever staged in a meet at Baltimore is likely to take place when Virginia, Johns Hopkins and Washington and Lee face each other in a mile race for the south Atlantic inercollegiate championship. About four years ago a race was run between these teams and resulted in a prilliant ontest. This time a remarkably close vent is fairly certain, though Virginia probably will be the faverite, if there is any choice at all.

Some of the best work of the year in the Masonic League was done last night. The bowlers of the Columbia quint took three straight from the Mount Pleasant outfit, and in so doing rolled several good games. The highest mark gotten by the team was only 529, but Ackman, Sonneman and Haas made some scores much above the averso far this season.

match. He got the best game and the test Sonneman knocked down 140 pins toppled 120 in his second and then for a count of 126. The three games Haas had scores of 108, 113 and 116, while Ackman got 96, 110 and 119.

Some rather poor bowling was done in the District League, considering the scores usually made in that circuit. The The results of the bouts follow:

Preparations now are being made by Coach Clarence Hecox for the rowing season of the Analostan Boat Club. The crew already has been taken out on the river, though no strenuous work has been done. The boys have paddled slowly in order to get their bearings and have been compelled to row bundled up in heavy clothes for protection against the chill air.

A more pretentious schedule has been mapped out for the club this spring than it ever before has had, at least in the last few years. The first race will take place against the second team of the Naval Academy, May 7; the Baltimore City College eight will appear here in a dual event. The local eight is to go to Richmond for a race there with the Virginia Boat Club May 29, while the season will be closed July 4, when the boys go to Philadelphia to take part in the People's regatta.

The contest scheduled at the Y. M. C. A. tomorrow night between the regular "Y" quint and the team from Baltimore which styles itself as the Maryland State Champions should be one well worth the seeing. The local association was defeated by the Marylanders at Baltimore some time ago, but thinks it will be able to reverse the decision on its own floor. The Maryland team is fast, though, and it has on it several players of exceptional worth. Prof. Beckett of the Y. M. C. A., who coaches the local five, says the contest probably will be the best staged on the "Y" floor this year.

The Auditors won from Southern in the Railroad Y. M. C. A. League by a close score, the count being 19 to 14. The work of both clubs was good, the game being about the best of the year in the Terminal circuit.

Georgetown's relay team will be against one of the fastest quartets in the east tonight when it faces the Massachusetts Institute of Technology in a mile race at Hartford, Conn. In fact, so fast has the Massachusetts four proved this season that it is very doubtful about the Blue and Gray getting a victory. Of course, if the first three men for Georgetown can send Stebbins off within a few yards of the last Massachusetts runner the former will have an excellent chance to win. There is no question about Stebbins capabilities, and the man who defeats him in a quarter-mile race will have to go at a better gait than any runner in this section has traversed 'his season.

A tournament is to be held at the Chevy Chase Club Monday, February 22, for which invitations have been sent to all the members. If there are a reasonable number of entries prizes will be given to the winners. There will be first and second prizes for the highest scores of three games of duckpins and first and second prizes for the highest scores made in a single game of duckpins. All the games must be bowled between 10 a.m. and 10 p.m. Special prizes will be offered for women if there are enough entries to justify such a procedure.

The entries for the events are to be made at the alleys on the day of the tournament. Special information relative to the rules of competition, etc., may be had from the committee before play is begun.
